

gMed Annual User Group Conference

gMed's Annual User Group Conference will be held on June 17th – 20th, at the Harbor Beach Marriott in Fort Lauderdale, FL. gMed's senior management team will share the company's strategic vision and mission, its new software development framework, new product road map, and future product releases for content.

gGastro Version 4.0 training will be provided for System Administrators. The modules will include Nursing Notes, Open Orders, and Scanning/Faxing. gGastro will be presented and available for users to interact with at the User Group Conference. Be one of the first users to receive training on the new generation of software.

Anita Cava, J.D. will be presenting; "Best Practices: Navigating the Legal and Ethical Challenges of Electronic Medical Records". gMed is working with the Florida Medical Association to obtain AMA PRA Category 1 Credit for the presentation.

Located on South Florida's largest private beach, Harbor Beach Marriott is Fort Lauderdale's premier oceanfront convention resort offering luxurious accommodations, spacious meeting rooms and convenience in a beautiful setting. The resort is located just 10 minutes from Ft. Lauderdale/Hollywood International Airport and close to dining, shopping and fishing/boating.

The cost is \$795 per attendee and the last date to register is June 1st, 2009. The fee includes all classes, breakfasts, lunches, snack breaks, and dinner on June 19th. The cost of a Meal Only Option is \$450 per person. We encourage attendees to take advantage of the Marriott Harbor Beach & Resort Group Rate three days prior to the event and three days after. In addition, the Spa is offering a 10% discount on all services. For additional information, please contact Charlotte Perkins (charlottep@gmed.com) or Lauren Morgenstern (laurenm@gmed.com).
